EDUCATION

Bachelor of Science, Carnegie Mellon University

2015 - 2019 • Pittsburgh, PA

Major: Information Systems, University Honors
Minor: Human-Computer Interaction

EXPERIENCE

UX Designer, Deloitte Digital

July 2019 - Present • Arlington, VA

Modernized technology systems that help U.S. government agencies better serve their users. Experience researching, synthesizing, and designing across a breadth of sectors, products, and platforms. Select projects include:

- Responsive website rebrand + redesign for a consumer-facing Drupal site.
- Salesforce desktop webapp and mobile iOS app redesign for internal management of a food distribution program.
- Desktop-based portal for businesses to upload and track files to report information to their parent agency.

UX Design Intern, Deloitte Digital

Summer 2018 • Arlington, VA

Redesigned the Learning & Development portal, a site through which employees request continuing education programs.

- Conducted 12+ user interviews.
- Synthesized findings via affinity diagramming, process flows, & personas.
- Ran a product visioning session with studio leadership.
- Proposed a refined business process.
- Designed wireframes and prototypes of the primary flows.
- Created a style guide with adapted company branding.

UX Designer & Frontend Engineer, Zensors

Spring 2018 • Pittsburgh, PA

Redesigned and developed the interface for crowdworkers to answer questions about images.

- Developed personas and scenarios.
- Built wireframes and prototypes.
- Developed the frontend with HTML/CSS and React.
